8	IMAGE	Photorealistic Portraits	Friendly Profile Photo	friendly profile photo, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
9	IMAGE	Photorealistic Portraits	Dramatic Low-Key Portrait	dramatic low-key portrait, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
10	IMAGE	Photorealistic Portraits	Bright High-Key Portrait	bright high-key portrait, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
11	IMAGE	Photorealistic Portraits	Cinematic Character Portrait	cinematic character portrait, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
12	IMAGE	Photorealistic Portraits	Artisan At Work Portrait	artisan at work portrait, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
13	IMAGE	Photorealistic Portraits	Athlete Portrait	athlete portrait, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
14	IMAGE	Photorealistic Portraits	Musician Portrait	musician portrait, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
15	IMAGE	Photorealistic Portraits	Scientist Portrait	scientist portrait, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light,

No.	Type	Category	Use Case	Optimized Prompt
				candid composition, accurate details, no text, no watermark
16	IMAGE	Photorealistic Portraits	Teacher Portrait	teacher portrait, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
17	IMAGE	Photorealistic Portraits	Entrepreneur Portrait	entrepreneur portrait, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
18	IMAGE	Photorealistic Portraits	Healthcare Professional Portrait	healthcare professional portrait, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
19	IMAGE	Photorealistic Portraits	Travel Portrait	travel portrait, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
20	IMAGE	Photorealistic Portraits	Senior Professional Portrait	senior professional portrait, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
21	IMAGE	Business & Workplace	Modern Team Collaboration	modern team collaboration, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
22	IMAGE	Business & Workplace	Executive Boardroom	executive boardroom, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
23	IMAGE	Business & Workplace	Startup Brainstorming	startup brainstorming, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
24	IMAGE	Business & Workplace	Remote Work Setup	remote work setup, close-up detail with elegant negative space, premium advertising

No.	Type	Category	Use Case	Optimized Prompt
				image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
25	IMAGE	Business & Workplace	Customer Support Center	customer support center, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
26	IMAGE	Business & Workplace	Business Presentation	business presentation, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
27	IMAGE	Business & Workplace	Professional Networking	professional networking, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
28	IMAGE	Business & Workplace	Office Reception	office reception, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
29	IMAGE	Business & Workplace	Coworking Space	coworking space, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
30	IMAGE	Business & Workplace	Strategy Workshop	strategy workshop, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
31	IMAGE	Business & Workplace	One-On-One Meeting	one-on-one meeting, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
32	IMAGE	Business & Workplace	Business Handshake	business handshake, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
33	IMAGE	Business & Workplace	Corporate Training	corporate training, wide cinematic composition with strong visual hierarchy,

No.	Type	Category	Use Case	Optimized Prompt
				cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
34	IMAGE	Business & Workplace	Project Planning Wall	project planning wall, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
35	IMAGE	Business & Workplace	Hybrid Meeting	hybrid meeting, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
36	IMAGE	Business & Workplace	Creative Agency Studio	creative agency studio, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
37	IMAGE	Business & Workplace	Finance Team Analysis	finance team analysis, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
38	IMAGE	Business & Workplace	Human Resources Onboarding	human resources onboarding, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
39	IMAGE	Business & Workplace	Product Demo	product demo, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
40	IMAGE	Business & Workplace	Leadership Town Hall	leadership town hall, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
41	IMAGE	Technology & AI	Futuristic Ai Workspace	futuristic AI workspace, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
42	IMAGE	Technology & AI	Friendly Ai Assistant	friendly AI assistant, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft

No.	Type	Category	Use Case	Optimized Prompt
				directional light, realistic materials, clean background, sharp focus, no text, no watermark
43	IMAGE	Technology & AI	Robotics Laboratory	robotics laboratory, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
44	IMAGE	Technology & AI	Cybersecurity Command Center	cybersecurity command center, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
45	IMAGE	Technology & AI	Cloud Computing Network	cloud computing network, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
46	IMAGE	Technology & AI	Quantum Computer	quantum computer, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
47	IMAGE	Technology & AI	Data Center Corridor	data center corridor, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
48	IMAGE	Technology & AI	Smart City Network	smart city network, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
49	IMAGE	Technology & AI	Virtual Reality Experience	virtual reality experience, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
50	IMAGE	Technology & AI	Augmented Reality Interface	augmented reality interface, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
51	IMAGE	Technology & AI	Machine Learning Visualization	machine learning visualization, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field,

No.	Type	Category	Use Case	Optimized Prompt
				premium editorial quality, balanced composition, no text, no watermark
52	IMAGE	Technology & AI	Digital Twin Factory	digital twin factory, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
53	IMAGE	Technology & AI	Blockchain Network	blockchain network, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
54	IMAGE	Technology & AI	Autonomous Vehicle Interior	autonomous vehicle interior, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
55	IMAGE	Technology & AI	Space Technology Lab	space technology lab, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
56	IMAGE	Technology & AI	Biometric Security	biometric security, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
57	IMAGE	Technology & AI	IoT Smart Home	IoT smart home, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
58	IMAGE	Technology & AI	Coding Workstation	coding workstation, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
59	IMAGE	Technology & AI	Neural Network Concept	neural network concept, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
60	IMAGE	Technology & AI	Human And AI Collaboration	human and AI collaboration, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark

No.	Type	Category	Use Case	Optimized Prompt
61	IMAGE	Accessibility & Inclusion	Accessible Digital Workplace	accessible digital workplace, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
62	IMAGE	Accessibility & Inclusion	Screen Reader User At Work	screen reader user at work, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
63	IMAGE	Accessibility & Inclusion	Wheelchair User Collaborating	wheelchair user collaborating, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
64	IMAGE	Accessibility & Inclusion	Sign Language Conversation	sign language conversation, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
65	IMAGE	Accessibility & Inclusion	Accessible Mobile Interface	accessible mobile interface, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
66	IMAGE	Accessibility & Inclusion	Inclusive Classroom	inclusive classroom, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
67	IMAGE	Accessibility & Inclusion	Accessible Airport Journey	accessible airport journey, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
68	IMAGE	Accessibility & Inclusion	Assistive Technology Devices	assistive technology devices, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
69	IMAGE	Accessibility & Inclusion	Digital Inclusion Workshop	digital inclusion workshop, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark

No.	Type	Category	Use Case	Optimized Prompt
70	IMAGE	Accessibility & Inclusion	Universal Design Architecture	universal design architecture, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
71	IMAGE	Accessibility & Inclusion	Keyboard Navigation Concept	keyboard navigation concept, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
72	IMAGE	Accessibility & Inclusion	Audio Description Studio	audio description studio, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
73	IMAGE	Accessibility & Inclusion	Captioned Video Experience	captioned video experience, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
74	IMAGE	Accessibility & Inclusion	Accessible Voting Booth	accessible voting booth, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
75	IMAGE	Accessibility & Inclusion	Inclusive Public Transport	inclusive public transport, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
76	IMAGE	Accessibility & Inclusion	Accessible Hotel Room	accessible hotel room, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
77	IMAGE	Accessibility & Inclusion	Low-Vision Technology	low-vision technology, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
78	IMAGE	Accessibility & Inclusion	Inclusive Sports Event	inclusive sports event, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark

No.	Type	Category	Use Case	Optimized Prompt
79	IMAGE	Accessibility & Inclusion	Accessible Healthcare Visit	accessible healthcare visit, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
80	IMAGE	Accessibility & Inclusion	Multi-Generational Technology Use	multi-generational technology use, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
81	IMAGE	Products & Advertising	Luxury Skincare Bottle	luxury skincare bottle, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
82	IMAGE	Products & Advertising	Premium Smartwatch	premium smartwatch, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
83	IMAGE	Products & Advertising	Wireless Headphones	wireless headphones, wide cinematic composition with strong visual hierarchy, cinematic realism, atmospheric lighting, rich color grading, realistic scale, professional composition, no text, no watermark
84	IMAGE	Products & Advertising	Modern Laptop	modern laptop, close-up detail with elegant negative space, premium advertising image, controlled studio lighting, subtle reflections, highly detailed, elegant composition, no text, no watermark
85	IMAGE	Products & Advertising	Designer Sneakers	designer sneakers, authentic real-world setting with purposeful storytelling, documentary realism, authentic environment, natural light, candid composition, accurate details, no text, no watermark
86	IMAGE	Products & Advertising	Artisan Coffee Package	artisan coffee package, hero composition, subject clearly separated from background, photorealistic, natural textures, cinematic lighting, shallow depth of field, premium editorial quality, balanced composition, no text, no watermark
87	IMAGE	Products & Advertising	Gold Jewelry	gold jewelry, three-quarter view, layered foreground and background, ultra-detailed commercial photography, soft directional light, realistic materials, clean background, sharp focus, no text, no watermark
