

500 Nano Banana Image Generation Shortcodes

Tip: Copy the shortcode with its prompt. The slash names are memorable workflow labels, while the prompt text supplies the image instructions.

No.	Shortcode	Image Type	Prompt
1	<code>/goldenhourportrait</code>	Portrait	portrait at golden hour, warm rim light, natural skin texture, shallow depth of field, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
2	<code>/windowlightportrait</code>	Portrait	portrait beside a large window, soft directional daylight, realistic skin detail, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
3	<code>/editorialportrait</code>	Portrait	editorial portrait, controlled studio lighting, refined wardrobe, magazine composition, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
4	<code>/streetportrait</code>	Portrait	candid street portrait, urban background, natural movement, documentary realism, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
5	<code>/monochromeportrait</code>	Portrait	black-and-white portrait, rich tonal contrast, subtle film grain, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
6	<code>/closeupportrait</code>	Portrait	tight facial close-up, crisp eyes, detailed skin, soft background, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
7	<code>/environmentalportrait</code>	Portrait	environmental portrait showing the subject in a meaningful workspace, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
8	<code>/rimlightportrait</code>	Portrait	dramatic portrait with precise rim lighting and deep background separation, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
9	<code>/softboxportrait</code>	Portrait	clean studio portrait with a large softbox and neutral seamless backdrop, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
10	<code>/rainydayportrait</code>	Portrait	portrait outdoors after rain, reflective surfaces, diffused overcast light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
11	<code>/backlitportrait</code>	Portrait	backlit portrait with controlled flare and translucent edge light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
12	<code>/lowkeyportrait</code>	Portrait	low-key portrait, sculpted shadows, dark backdrop, cinematic realism, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
13	/highkeyportrait	Portrait	high-key portrait, bright seamless background, soft even illumination, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
14	/profileportrait	Portrait	side-profile portrait, elegant silhouette, focused facial detail, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
15	/headshotportrait	Portrait	professional headshot, direct eye contact, clean neutral background, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
16	/travelportrait	Portrait	travel portrait in a distinctive local setting, natural daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
17	/vintagefilmpportrait	Portrait	portrait with authentic vintage film color, grain, and lens character, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
18	/neonportrait	Portrait	night portrait illuminated by balanced neon reflections, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
19	/sunlitportrait	Portrait	sunlit outdoor portrait, natural highlights, lifelike color, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
20	/studiopportrait	Portrait	premium studio portrait, precise lighting, realistic materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
21	/whitestudioproduct	Product	product centered on seamless white, soft shadow, commercial clarity, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
22	/luxurypodiumproduct	Product	premium product on a stone podium, elegant rim light, luxury styling, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
23	/splashproduct	Product	product suspended in a controlled liquid splash, frozen motion, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
24	/flatlayproduct	Product	top-down product flat lay with coordinated props and clean spacing, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
25	/macroproduct	Product	extreme product macro showing material texture and precision details, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
26	/floatingproduct	Product	product floating above a surface with realistic contact shadow, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
27	/glassreflectionproduct	Product	product on reflective glass, crisp symmetrical reflection, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
28	/natureproduct	Product	product staged with natural stone, leaves, and soft daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
29	/darkstudioproduct	Product	product in a dark studio with controlled edge lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
30	/pastelproduct	Product	product on a soft pastel set with geometric props, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
31	/kitchenproduct	Product	product naturally staged in a bright modern kitchen, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
32	/bathroomproduct	Product	product styled in a clean spa bathroom with diffused light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
33	/techdeskproduct	Product	technology product on an organized contemporary desk, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
34	/handheldproduct	Product	product held naturally for scale, realistic hand placement, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
35	/explodedproduct	Product	exploded product view with components arranged logically, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
36	/cutawayproduct	Product	technical product cutaway revealing internal construction, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
37	/isometricproduct	Product	isometric product render on a clean minimal background, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
38	/packagingproduct	Product	product with packaging arranged as a polished launch set, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
39	/colorwaysproduct	Product	six coordinated product color variations in a clean grid, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
40	/heroproduct	Product	wide product hero image with balanced negative space, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
41	/desertchasecinematic	Cinematic	high-speed desert chase, dust trails, low camera angle, dramatic daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
42	/rainynightcinematic	Cinematic	rainy city night, wet reflections, cinematic practical lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
43	/mountainjourneycinematic	Cinematic	traveler crossing a vast mountain landscape, epic wide composition, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
44	/forestmistcinematic	Cinematic	dense forest with layered mist and shafts of morning light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
45	/rooftopcinematic	Cinematic	dramatic rooftop scene overlooking a luminous city, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
46	/trainstationcinematic	Cinematic	moody historic train station, atmospheric steam, strong perspective, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
47	/oceancliffcinematic	Cinematic	figure on an ocean cliff, wind-driven fabric, expansive horizon, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
48	/alleycinematic	Cinematic	narrow cinematic alley, textured walls, motivated practical light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
49	/sunsetroadcinematic	Cinematic	vehicle on an open road at sunset, long shadows, widescreen framing, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
50	/snowstormcinematic	Cinematic	subject moving through a snowstorm, visible depth and directional wind, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
51	/warehousecinematic	Cinematic	large industrial warehouse, volumetric light, strong silhouettes, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
52	/subwaycinematic	Cinematic	modern subway platform, leading lines, realistic motion blur, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
53	/campfirecinematic	Cinematic	night campfire scene, warm firelight against cool ambient darkness, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
54	/harborcinematic	Cinematic	working harbor at dawn, cranes, mist, reflective water, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
55	/bridgecinematic	Cinematic	dramatic bridge crossing, deep perspective, changing weather, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
56	/marketcinematic	Cinematic	busy evening market, practical lights, layered foreground activity, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
57	/stormcinematic	Cinematic	approaching storm over an open landscape, dramatic cloud structure, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
58	/dawncitycinematic	Cinematic	city waking at dawn, soft haze, cinematic aerial perspective, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
59	/canyoncinematic	Cinematic	vast canyon scene, warm reflected light, monumental scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
60	/lighthousecinematic	Cinematic	lighthouse in rough coastal weather, powerful waves, moody sky, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
61	/modernvillaarchitecture	Architecture	modern villa exterior, clean geometry, landscaped setting, late afternoon light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
62	/glassofficearchitecture	Architecture	glass office tower, accurate reflections, street-level perspective, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
63	/courtyardarchitecture	Architecture	calm courtyard architecture, natural materials, balanced daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
64	/brutalistarchitecture	Architecture	brutalist concrete building, strong geometry, overcast atmosphere, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
65	/heritagearchitecture	Architecture	restored heritage facade, authentic materials, warm morning light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
66	/interiorloftarchitecture	Architecture	spacious industrial loft, exposed structure, soft window light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
67	/minimalhomearchitecture	Architecture	minimal residential interior, restrained materials, uncluttered styling, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
68	/museumarchitecture	Architecture	contemporary museum hall, monumental scale, precise lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
69	/hotellobbyarchitecture	Architecture	luxury hotel lobby, layered materials, sophisticated ambient light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
70	/rooftopgardenarchitecture	Architecture	architectural rooftop garden, integrated planting, city view, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
71	/nightfacadearchitecture	Architecture	building facade at night, realistic window glow and exterior lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
72	/staircasearchitecture	Architecture	sculptural staircase, clean lines, dramatic natural light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
73	/libraryarchitecture	Architecture	modern library interior, repeating shelves, warm task lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
74	/pavilionarchitecture	Architecture	lightweight garden pavilion, elegant structure, natural surroundings, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
75	/cabinarchitecture	Architecture	contemporary cabin in a forest, timber texture, misty morning, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
76	/restaurantarchitecture	Architecture	refined restaurant interior, intimate lighting, realistic materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
77	/workspacearchitecture	Architecture	collaborative workplace interior, flexible furniture, bright daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
78	/atriumarchitecture	Architecture	large glazed atrium, indoor trees, soft top light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
79	/waterfrontarchitecture	Architecture	waterfront architecture with accurate reflections and public space, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
80	/aerialplanarchitecture	Architecture	oblique aerial architectural view showing building and site context,

No.	Shortcode	Image Type	Prompt
			photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
81	/burgerherofood	Food	gourmet burger hero shot, visible layers, appetizing side light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
82	/pastaplatefood	Food	fresh pasta plated elegantly, natural sauce texture, warm restaurant light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
83	/dessertmacrofood	Food	dessert macro with detailed texture, delicate garnish, shallow focus, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
84	/coffeefood	Food	fresh coffee with natural steam, ceramic cup, morning window light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
85	/cocktailfood	Food	crafted cocktail with condensation, clear glass detail, bar lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
86	/pizzafood	Food	artisan pizza, crisp crust texture, melted cheese, overhead composition, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
87	/saladfood	Food	vibrant salad with fresh ingredients, bright soft daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
88	/breadfood	Food	rustic bread loaf, flour texture, warm bakery atmosphere, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
89	/sushifood	Food	precision sushi arrangement, clean ceramic setting, soft directional light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
90	/breakfastfood	Food	balanced breakfast table, casual styling, gentle morning light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
91	/chocolatefood	Food	premium chocolate pieces, rich surface detail, dark elegant styling, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
92	/icecreamfood	Food	ice cream presentation with realistic melting edges and pastel backdrop, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
93	/fruitfood	Food	fresh seasonal fruit still life, natural color and soft shadows, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
94	/streetfoodfood	Food	authentic street-food serving, active background, documentary realism, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
95	/fineplatefood	Food	fine-dining plate, restrained garnish, elegant restaurant lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
96	/soupfood	Food	steaming soup bowl, visible ingredients, cozy table setting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no

No.	Shortcode	Image Type	Prompt
			logo.
97	/spicesfood	Food	top-down spice arrangement, vivid natural color, tactile texture, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
98	/cakefood	Food	celebration cake, refined decoration, soft studio light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
99	/teafood	Food	tea service with translucent liquid and calm natural light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
100	/farmtablefood	Food	farm-to-table meal with rustic textures and natural daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
101	/runwayfashion	Fashion	full-length runway fashion scene, structured lighting, realistic fabric movement, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
102	/streetstylefashion	Fashion	contemporary street-style look, urban setting, candid editorial framing, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
103	/studiooutfitfashion	Fashion	full outfit photographed in studio with accurate fabric texture, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
104	/luxuryeditorialfashion	Fashion	luxury fashion editorial, sculptural pose, refined location, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
105	/denimfashion	Fashion	denim-focused fashion image, visible weave, casual daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
106	/sportswearfashion	Fashion	dynamic sportswear image, athletic movement, clean commercial lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
107	/wintercoatfashion	Fashion	winter coat styling in a cold urban scene, realistic wool texture, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
108	/summerlookfashion	Fashion	light summer clothing in bright natural light, airy composition, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
109	/accessoriesfashion	Fashion	fashion accessories arranged as a premium editorial still life, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
110	/footwearfashion	Fashion	footwear campaign image, low angle, detailed material rendering, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
111	/jewelryfashion	Fashion	jewelry fashion close-up, controlled highlights, realistic metal and gems, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
112	/tailoringfashion	Fashion	precision tailoring portrait, visible textile structure, elegant setting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
113	/monochromelookfashion	Fashion	monochrome fashion story with tonal layers and graphic composition,

No.	Shortcode	Image Type	Prompt
			photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
114	/colorblockfashion	Fashion	bold color-block fashion set with clean geometric background, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
115	/minimalrunwayfashion	Fashion	minimal runway scene, focused silhouette, restrained lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
116	/rooftopfashionfashion	Fashion	fashion editorial on a rooftop, wind movement, city backdrop, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
117	/raincoatfashion	Fashion	rainwear campaign in wet weather, reflective street surfaces, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
118	/vintagecouturefashion	Fashion	vintage-inspired couture with period-aware styling and film color, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
119	/catalogfashion	Fashion	clean ecommerce fashion catalog image, consistent pose and lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
120	/designerbagfashion	Fashion	designer bag campaign, premium materials, architectural set, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
121	/waterfallnature	Nature	powerful waterfall in a lush landscape, realistic mist, long-exposure feel, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
122	/alpinelakenature	Nature	clear alpine lake, mountain reflection, crisp morning atmosphere, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
123	/rainforestnature	Nature	dense rainforest layers, wet foliage, shafts of filtered light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
124	/desertdunesnature	Nature	wind-shaped desert dunes, long shadows, clean natural gradients, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
125	/wildflowersnature	Nature	field of wildflowers, low viewpoint, soft sunrise light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
126	/coastlinenature	Nature	rugged coastline, textured waves, dramatic but realistic clouds, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
127	/autumnforestnature	Nature	autumn forest path, rich leaf color, diffused daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
128	/winterlakenature	Nature	frozen lake landscape, subtle blue shadows, clear cold air, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
129	/meadownature	Nature	open meadow with layered grasses, gentle wind, late-day light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
130	/volcanonature	Nature	volcanic landscape, dark rock texture, atmospheric distance, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
131	/mangrovenature	Nature	mangrove waterway, tangled roots, humid reflected light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
132	/cavenature	Nature	natural cave interior with an opening casting directional daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
133	/riverbendnature	Nature	aerial river bend through a natural landscape, readable terrain, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
134	/cliffforestnature	Nature	forest growing along steep cliffs, layered atmospheric perspective, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
135	/monsoonnature	Nature	monsoon landscape with heavy clouds, rain curtains, saturated vegetation, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
136	/savannanature	Nature	broad savanna landscape, tall grass, warm low sunlight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
137	/northernlightsnature	Nature	aurora over a dark natural landscape, realistic night exposure, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
138	/coralreefnature	Nature	clear underwater coral reef, natural caustic light, diverse textures, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
139	/springorchardnature	Nature	blossoming orchard in spring, soft light, detailed branches, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
140	/foggyhillsnature	Nature	rolling hills in morning fog, layered depth, muted color, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
141	/moonbasescifi	SciFi	functional moon base, realistic engineering, harsh sunlight and deep shadows, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
142	/marsroverscifi	SciFi	advanced rover crossing Mars terrain, dust, accurate scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
143	/orbitalstationscifi	SciFi	large orbital station above a planet, detailed structure and sunlight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
144	/cybercityscifi	SciFi	dense futuristic city, layered transit, believable night illumination, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
145	/spacesuitscifi	SciFi	close-up explorer in a practical spacesuit, reflective visor, hard light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
146	/alienforestscifi	SciFi	bioluminescent alien forest with coherent ecology and atmospheric depth, photorealistic detail, coherent composition, accurate materials, natural depth,

No.	Shortcode	Image Type	Prompt
			no text, no logo.
147	/futurelabscifi	SciFi	advanced research laboratory, clean functional design, realistic materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
148	/hovervehiclescifi	SciFi	hover vehicle above a futuristic roadway, motion and environmental interaction, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
149	/starshipbridgescifi	SciFi	starship command bridge, practical displays, cinematic low light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
150	/desertoutpostscifi	SciFi	remote high-tech outpost in a desert, weathered materials and dust, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
151	/underwatercityscifi	SciFi	underwater city structures, marine haze, realistic pressure-resistant design, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
152	/robotworkshopscifi	SciFi	robotics workshop filled with tools, parts, and practical lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
153	/megacityaerialscifi	SciFi	aerial view of a vast future city with readable districts, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
154	/portalscifi	SciFi	scientific portal apparatus in an industrial chamber, controlled energy light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
155	/terraformscifi	SciFi	large-scale terraforming site, machinery, atmosphere, monumental landscape, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
156	/androidportraitscifi	SciFi	original humanoid android portrait, mechanical detail, neutral studio light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
157	/quantumroomscifi	SciFi	experimental quantum chamber, precise equipment, cool controlled lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
158	/iceplanetescifi	SciFi	expedition across an ice planet, windblown crystals, distant structures, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
159	/solarfarmscifi	SciFi	future solar farm across a dry landscape, vast repeating geometry, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
160	/asteroidminescifi	SciFi	industrial asteroid mining operation, articulated machinery, hard sunlight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
161	/brandboardbranding	Branding	complete brand board with logo area, palette, typography, and image direction, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
162	/packagingsetbranding	Branding	coordinated packaging family displayed as a clean brand system, photorealistic detail, coherent composition, accurate materials, natural depth,

No.	Shortcode	Image Type	Prompt
			no text, no logo.
163	/businesscardbranding	Branding	front-and-back business card mockup with premium print details, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
164	/storefrontbranding	Branding	brand identity applied to a realistic storefront facade and window, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
165	/stationerybranding	Branding	cohesive stationery set with letterhead, envelope, and card, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
166	/socialkitbranding	Branding	consistent social-media visual kit with profile, cover, and post layouts, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
167	/appiconbranding	Branding	polished app icon displayed across mobile interface contexts, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
168	/logowallbranding	Branding	brand mark installed on a premium interior feature wall, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
169	/merchsetbranding	Branding	brand applied consistently to apparel, tote, cup, and notebook, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
170	/deliveryboxbranding	Branding	branded delivery packaging with labels, tape, and protective inserts, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
171	/eventboothbranding	Branding	brand identity applied to a modern exhibition booth, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
172	/vehiclewrapbranding	Branding	commercial vehicle wrap shown from clear three-quarter angle, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
173	/menubrandbranding	Branding	restaurant brand identity across menu, packaging, and signage, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
174	/cosmeticbrandbranding	Branding	cosmetics brand system with containers, boxes, and campaign styling, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
175	/techbrandbranding	Branding	technology brand system with clean digital and physical applications, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
176	/cafebrandbranding	Branding	cafe identity across cup, bag, menu, and storefront details, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
177	/ecobrandbranding	Branding	sustainable brand packaging using visible recycled materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
178	/luxurybrandbranding	Branding	luxury identity with restrained typography, tactile paper, and foil accents, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

			characters, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
212	/posterillustration	Illustration	graphic poster illustration with bold shapes and controlled palette, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
213	/collageillustration	Illustration	mixed-paper collage illustration with cut textures and balanced composition, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
214	/engravingillustration	Illustration	vintage engraving-style illustration with fine cross-hatching, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
215	/gouacheillustration	Illustration	opaque gouache painting with matte color and visible brush texture, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
216	/pastelillustration	Illustration	soft pastel illustration with layered pigment and paper grain, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
217	/vectorillustration	Illustration	clean flat vector illustration with consistent shapes and limited palette, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
218	/chalkillustration	Illustration	chalkboard-style illustration with hand-drawn texture and clear forms, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
219	/mosaicillustration	Illustration	decorative mosaic illustration with individually defined tiles, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
220	/stainedglassillustration	Illustration	stained-glass interpretation with lead lines and luminous color, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
221	/livingroominterior	Interior	realistic modern living room, balanced furniture layout, natural window light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
222	/bedroominterior	Interior	calm bedroom interior, layered textiles, warm indirect lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
223	/kitcheninterior	Interior	functional contemporary kitchen, accurate materials, bright daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
224	/homeofficeinterior	Interior	organized home office, ergonomic furniture, natural light and plants, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
225	/bathroominterior	Interior	spa-like bathroom, stone and wood materials, soft diffused light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
226	/diningroominterior	Interior	inviting dining room, refined table styling, warm pendant lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
227	/studioapartmentinterior	Interior	compact studio apartment with efficient zoning and realistic scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
228	/nurseryinterior	Interior	gentle nursery interior with safe furniture layout and soft daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
229	/readingnookinterior	Interior	comfortable reading nook by a window, layered cushions and books, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
230	/entrywayinterior	Interior	welcoming entryway with storage, mirror, and balanced lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
231	/retailshopinterior	Interior	modern retail interior with clear circulation and product displays, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
232	/cafespaceinterior	Interior	contemporary cafe interior with mixed seating and warm practical lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
233	/hotelroominterior	Interior	premium hotel room, layered lighting, durable elegant materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
234	/conferenceinterior	Interior	professional conference room with acoustic details and daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
235	/makerspaceinterior	Interior	creative makerspace with workbenches, tools, and task lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
236	/galleryinterior	Interior	minimal gallery interior with controlled artwork illumination, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
237	/wellnessinterior	Interior	wellness studio with natural materials, open floor area, calm light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
238	/musicroominterior	Interior	music room with acoustic treatment, instruments, and warm atmosphere, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
239	/smallspaceinterior	Interior	small interior optimized with built-in storage and multifunctional furniture, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
240	/industrialloftinterior	Interior	industrial loft interior with exposed structure and warm furnishings, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
241	/supercarautomotive	Automotive	high-performance car on a controlled road, low angle, crisp body reflections, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
242	/citydriveautomotive	Automotive	car moving through a modern city, realistic motion and reflections, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
243	/mountainroadautomotive	Automotive	vehicle on a winding mountain road, scenic wide composition, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
244	/studiocarautomotive	Automotive	automotive studio photograph with precise gradient reflections, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
245	/classiccarautomotive	Automotive	restored classic car in an era-appropriate setting, natural light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
246	/electriccarautomotive	Automotive	electric vehicle at a clean charging station, contemporary architecture, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
247	/offroadautomotive	Automotive	off-road vehicle crossing rugged terrain, dust and suspension movement, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
248	/motorcycleautomotive	Automotive	motorcycle hero image, detailed mechanics, dramatic side lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
249	/interiorautomotive	Automotive	premium vehicle interior, accurate controls, tactile materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
250	/detailautomotive	Automotive	automotive detail macro showing paint, metal, stitching, and trim, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
251	/nightdriveautomotive	Automotive	vehicle at night with practical lights and wet-road reflections, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
252	/coastalroadautomotive	Automotive	car on a coastal road, open horizon, bright realistic daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
253	/garageautomotive	Automotive	performance vehicle in a professional workshop environment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
254	/conceptcarautomotive	Automotive	original concept vehicle with plausible aerodynamics and materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
255	/pickupautomotive	Automotive	pickup truck in a functional outdoor setting, realistic scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
256	/scooterautomotive	Automotive	urban scooter in a clean streetscape, bright natural light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
257	/fleetautomotive	Automotive	coordinated commercial vehicle fleet with consistent branding, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
258	/aerialroadautomotive	Automotive	aerial view of a vehicle following a dramatic landscape road, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
259	/snowdriveautomotive	Automotive	vehicle driving through snow, tire interaction and cold atmosphere, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
260	/desertrallyautomotive	Automotive	rally vehicle crossing desert terrain, dynamic dust plume, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
261	/lionanimal	Animal	realistic lion portrait, detailed mane, natural savanna light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
262	/tigeranimal	Animal	tiger moving through forest vegetation, accurate anatomy, filtered light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
263	/elephantanimal	Animal	elephant family in an open landscape, natural scale and dust, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
264	/horseanimal	Animal	horse running across a field, accurate motion and muscle structure, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
265	/eagleanimal	Animal	eagle in flight, detailed feathers, mountain background, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
266	/wolfanimal	Animal	wolf standing in winter woodland, realistic fur and cool daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
267	/leopardanimal	Animal	leopard resting on a tree branch, natural camouflage and anatomy, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
268	/bearanimal	Animal	bear beside a forest river, wet fur detail and natural environment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
269	/foxanimal	Animal	fox in autumn grass, low viewpoint, soft morning light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
270	/owlanimal	Animal	owl portrait with detailed feathers and controlled woodland background, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
271	/deeranimal	Animal	deer in a misty meadow, realistic antlers and atmospheric depth, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
272	/pandaanimal	Animal	panda among bamboo, natural behavior and soft diffused light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
273	/dolphinanimal	Animal	dolphin underwater, realistic caustic light and clear anatomy, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
274	/whaleanimal	Animal	whale beneath the ocean surface, monumental scale and light rays, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
275	/penguinanimal	Animal	penguins on a cold shoreline, realistic feathers, overcast light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no

			logo.
276	/peacockanimal	Animal	peacock displaying detailed plumage in a garden setting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
277	/rabbitanimal	Animal	rabbit in spring grass, close natural viewpoint and fine fur, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
278	/camelanimal	Animal	camel caravan crossing open desert, long shadows and heat haze, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
279	/giraffeanimal	Animal	giraffe in savanna vegetation, accurate proportions and warm daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
280	/parrotanimal	Animal	colorful parrot on a natural branch, detailed feathers and soft background, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
281	/ricefieldslandscape	Landscape	terraced rice fields, layered contours, early morning mist, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
282	/lavenderlandscape	Landscape	lavender fields with leading rows, sunset light, realistic color, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
283	/vineyardlandscape	Landscape	vineyard across rolling hills, late afternoon light and long shadows, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
284	/islandlandscape	Landscape	small tropical island, clear water gradients, aerial perspective, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
285	/fjordlandscape	Landscape	dramatic fjord landscape, steep cliffs, calm reflective water, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
286	/countrysidelandscape	Landscape	quiet countryside road, hedges, fields, changing weather, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
287	/saltflatlandscape	Landscape	vast salt flat with sky reflection and minimal horizon, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
288	/teaestatelandscape	Landscape	tea plantation on rolling terrain, morning workers shown at scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
289	/badlandslandscape	Landscape	eroded badlands with layered geology and directional sunlight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
290	/wetlandslandscape	Landscape	broad wetland landscape, winding water channels, birdlife at distance, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
291	/highlandslandscape	Landscape	rugged highland valley, low clouds, textured grass and rock, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
292	/orchardlandscape	Landscape	fruit orchard with repeating rows and warm harvest light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
293	/farmlandlandscape	Landscape	patchwork farmland viewed from above, clear field boundaries, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
294	/beachsunriselandscape	Landscape	quiet beach at sunrise, gentle waves, natural pastel sky, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
295	/rockyshorelandscape	Landscape	rocky shoreline under overcast light, detailed wet stone textures, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
296	/grasslandslandscape	Landscape	open grasslands beneath a broad sky, wind movement and depth, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
297	/mountainpasslandscape	Landscape	high mountain pass with switchback road and layered peaks, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
298	/oasislandscape	Landscape	desert oasis with palms, water reflection, surrounding dunes, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
299	/glacierlandscape	Landscape	large glacier with crevasses, cold light, monumental scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
300	/villagevalleylandscape	Landscape	small village within a green valley, natural scale and atmospheric depth, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
301	/dragonpeakfantasy	Fantasy	original dragon circling a mountain peak, believable anatomy and scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
302	/enchantedforestfantasy	Fantasy	enchanted forest with luminous plants, mist, and coherent natural structure, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
303	/floatingislandfantasy	Fantasy	floating island landscape with waterfalls, clouds, and visible geology, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
304	/crystalcavefantasy	Fantasy	vast crystal cave with refracted light and detailed mineral forms, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
305	/skycastlefantasy	Fantasy	original castle above clouds, monumental architecture and sunrise light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
306	/forestguardianfantasy	Fantasy	original woodland guardian integrated with bark, moss, and roots, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
307	/moonlitruiinsfantasy	Fantasy	ancient ruins under moonlight, overgrown stone and atmospheric haze, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
308	/icepalacefantasy	Fantasy	ice palace with translucent structures, cold light, and carved detail, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
309	/deserttemplefantasy	Fantasy	fantasy desert temple emerging from dunes, weathered stone and scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
310	/magiclibraryfantasy	Fantasy	endless magical library with floating lights and layered balconies, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
311	/phoenixfantasy	Fantasy	original phoenix rising through sparks, detailed feathers and controlled flames, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
312	/seaoraclefantasy	Fantasy	mysterious sea oracle environment with waves, shells, and blue light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
313	/giantreefantasy	Fantasy	colossal ancient tree supporting a village among its branches, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
314	/cloudshipfantasy	Fantasy	fantasy airship sailing through clouds, detailed rigging and sunlight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
315	/stonegiantfantasy	Fantasy	massive stone giant crossing a valley, vegetation and weathering, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
316	/portalforestfantasy	Fantasy	glowing portal among ancient trees, realistic light spill and mist, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
317	/starlakefantasy	Fantasy	night lake reflecting an unusually dense star field, calm atmosphere, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
318	/sunkenkingdomfantasy	Fantasy	submerged fantasy kingdom with coral growth and shafts of light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
319	/firecitadelfantasy	Fantasy	dark citadel near lava flows, glowing heat and heavy atmosphere, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
320	/windmagefantasy	Fantasy	original wind mage controlling visible currents of dust and fabric, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
321	/classroomeducation	Education	inclusive modern classroom, active learning stations, bright daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
322	/scienceexperimenteducation	Education	safe classroom science experiment with clearly arranged equipment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
323	/roboticslabeducation	Education	students collaborating in a robotics lab, tools and prototypes visible, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
324	/librarylearningeducation	Education	quiet library learning scene with books, tables, and natural light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
325	/onlineclasseducation	Education	organized online learning setup with laptop, notebook, and calm lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
326	/artlessoneducation	Education	hands-on art lesson with materials displayed clearly and safely, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
327	/mathvisualeducation	Education	clean educational math visual with geometric objects and grid structure, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
328	/historydisplayeducation	Education	museum-style history learning display with artifacts and timeline space, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
329	/geographymapeducation	Education	educational geography scene with globe, map, and field notes, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
330	/codingclasseducation	Education	coding classroom with multiple screens and collaborative seating, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
331	/languagelearningeducation	Education	language learning scene with flashcards, books, and conversation activity, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
332	/makerschooleducation	Education	school maker lab with fabrication tools, models, and safety equipment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
333	/naturestudyeducation	Education	outdoor nature study with notebooks, magnifiers, and plant samples, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
334	/musiclessoneducation	Education	music learning space with instruments, notation stands, and acoustic panels, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
335	/readingcircleeducation	Education	classroom reading circle with books and comfortable seating, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
336	/graduationeducation	Education	graduation ceremony scene, wide composition, stage and audience, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
337	/studyplannereducation	Education	organized study desk with planner, books, and soft task lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
338	/universitylabeducation	Education	advanced university laboratory, precise instruments, professional lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
339	/fieldtripeducation	Education	educational field trip at a science museum, large exhibit context, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
340	/teacherdeskeducation	Education	organized educator workspace with lesson materials and digital tools, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
341	/clinichealth	Healthcare	modern clinic reception, clear wayfinding, calm natural materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
342	/telehealthhealth	Healthcare	professional telehealth workspace with monitor, notes, and clean lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
343	/laboratoryhealth	Healthcare	clinical laboratory with organized instruments and protective equipment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
344	/pharmacyhealth	Healthcare	contemporary pharmacy interior with clear shelves and service counter, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
345	/wellnesscheckhealth	Healthcare	general wellness check setting with non-invasive equipment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
346	/medicaldevicehealth	Healthcare	medical device product shot on a clean clinical background, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
347	/hospitalroomhealth	Healthcare	modern hospital room with accessible layout and soft daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
348	/rehabspacehealth	Healthcare	physical rehabilitation space with exercise equipment and open circulation, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
349	/dentalclinichealth	Healthcare	clean dental treatment room with accurate equipment and lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
350	/diagnosticlabhealth	Healthcare	diagnostic laboratory, labeled equipment, controlled sterile environment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
351	/healthapphealth	Healthcare	health application shown on a smartphone in a clean lifestyle setup, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
352	/nutritionhealth	Healthcare	balanced nutrition consultation table with food models and notes, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
353	/careteamhealth	Healthcare	healthcare team collaboration space with charts and digital screens, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
354	/waitingareahealth	Healthcare	comfortable healthcare waiting area with accessible seating and signage, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
355	/ambulancehealth	Healthcare	modern ambulance exterior in a clear emergency-service setting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
356	/surgicaltechhealth	Healthcare	advanced surgical technology in a clean operating-room context, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
357	/medicinepackhealth	Healthcare	medicine packaging arranged clearly on a neutral clinical surface, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
358	/publichealthhealth	Healthcare	public-health information setting with clinic and community context, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
359	/eldercarehealth	Healthcare	accessible elder-care interior with supportive furniture and warm daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
360	/mentalwellnesshealth	Healthcare	calm counseling room with comfortable seating and natural materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
361	/aichiptechnology	Technology	advanced AI processor macro, precise circuitry, controlled studio light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
362	/datacentertechnology	Technology	modern data center aisle, organized cabling, cool operational lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
363	/smartphonetechnology	Technology	smartphone product hero, clean reflections, minimal background, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
364	/laptopstechnology	Technology	premium laptop open on a modern desk, balanced screen and ambient light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
365	/wearablestechnology	Technology	wearable technology close-up, realistic materials and interface glow, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
366	/robotarmstechnology	Technology	industrial robotic arm in a functioning production environment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
367	/dronestechnology	Technology	professional drone in flight above a clear landscape, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
368	/serverrackstechnology	Technology	detailed server rack with tidy network connections and status lights, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
369	/vrheadsetstechnology	Technology	VR headset product image with soft edge light and clean backdrop, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
370	/smarthometechnology	Technology	connected smart-home devices arranged in a realistic interior, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
371	/circuitboardstechnology	Technology	circuit board macro with visible components and shallow depth, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
372	/cybersecuritystechnology	Technology	cybersecurity operations room with multiple analytical displays, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
373	/cloudnetworktechnology	Technology	visual technology scene representing connected cloud infrastructure, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
374	/quantumcomputertechnology	Technology	quantum computing hardware in a controlled laboratory environment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
375	/3dprinterotechnology	Technology	3D printer producing a detailed prototype in a maker workspace, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
376	/biometrictechnology	Technology	biometric access device in a clean enterprise entry setting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
377	/satellitetechnology	Technology	communications satellite in orbit, detailed panels and Earth backdrop, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
378	/fiberoptictechnology	Technology	fiber-optic strands with controlled light transmission and macro detail, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
379	/evchargertechnology	Technology	electric vehicle charging station, clear interface and urban context, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
380	/innovationlabtechnology	Technology	technology innovation lab with prototypes, screens, and collaborative tables, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
381	/parisstreettravel	Travel	Parisian street at morning, cafe fronts, soft natural light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
382	/tokyonighttravel	Travel	Tokyo-inspired night streetscape, layered signage, wet reflections, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
383	/romeplazatravel	Travel	historic Roman plaza, warm stone, early morning atmosphere, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
384	/baliaerialtravel	Travel	tropical coastal landscape in Bali, aerial view, clear water and greenery, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
385	/himalayatrektravel	Travel	mountain trekking route in the Himalayas, realistic scale and weather, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
386	/venicecanaltravel	Travel	Venetian canal, reflective water, textured facades, natural daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
387	/dubaiskylinetravel	Travel	Dubai skyline from waterfront, clean evening atmosphere, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
388	/rajasthanforttravel	Travel	Rajasthan fort architecture in warm desert light, expansive perspective, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
389	/keralabackwatertravel	Travel	Kerala backwater landscape with calm water and lush vegetation, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
390	/santorinitravel	Travel	white hillside architecture above the sea, bright natural light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
391	/newyorkstreettravel	Travel	New York city street scene, layered traffic and architecture, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
392	/swissvillagetravel	Travel	Swiss alpine village with mountain backdrop and crisp daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
393	/safariatravel	Travel	open safari landscape with distant wildlife and warm low sun, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
394	/islandresorttravel	Travel	tropical island resort integrated with the coastline, aerial composition, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
395	/roadtriptravel	Travel	open-road travel scene with vehicle, luggage, and expansive landscape, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
396	/airporttravel	Travel	modern airport terminal, clear architecture, travelers at scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
397	/trainjourneytravel	Travel	scenic train journey through mountains, wide landscape composition, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
398	/desertcamptravel	Travel	desert travel camp at dusk, lantern light and textured tents, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
399	/coastalwalktravel	Travel	coastal walking trail above the sea, natural daylight and depth, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
400	/citybreaktravel	Travel	compact city-travel flat lay with map, camera, tickets, and notebook, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
401	/youtubesocial	SocialMedia	YouTube thumbnail composition with a strong subject and reserved headline area, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
402	/reelcoversocial	SocialMedia	vertical reel cover with centered focal subject and safe title space, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
403	/linkedinsocial	SocialMedia	professional LinkedIn banner with modern workspace imagery and open copy area, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
404	/podcastsocial	SocialMedia	square podcast cover concept with microphone imagery and strong visual identity, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
405	/pinterestsocial	SocialMedia	tall Pinterest graphic with clear focal image and structured title area, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
406	/announcementsocial	SocialMedia	social announcement post with clean hierarchy and one main visual, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
407	/quotesocial	SocialMedia	minimal quote-card background with subtle branded texture and readable space, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
408	/countdownsocial	SocialMedia	countdown social graphic with bold numeral area and event imagery, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
409	/carouselsocial	SocialMedia	carousel cover with strong hook image and consistent edge spacing, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
410	/profilesocial	SocialMedia	recognizable profile-image composition with clean background and strong silhouette, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
411	/launchpostsocial	SocialMedia	product launch social post with dramatic reveal and reserved copy space, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
412	/eventpostsocial	SocialMedia	event promotion post with stage or venue visual and structured information zones, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
413	/testimonialsocial	SocialMedia	customer testimonial social layout with portrait and quote areas, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
414	/tipsgraphicsocial	SocialMedia	practical tips graphic with icons and clearly separated content areas, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
415	/beforeaftersocial	SocialMedia	before-and-after social layout with equal framing and matching perspective, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
416	/behindscenessocial	SocialMedia	behind-the-scenes social image in a real creative workspace, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
417	/giveawaysocial	SocialMedia	giveaway campaign visual with product bundle and uncluttered text zones, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
418	/milestonesocial	SocialMedia	brand milestone celebration graphic with premium confetti accents, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
419	/communitysocial	SocialMedia	community-focused social image with collaborative activity and brand space, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
420	/newslettersocial	SocialMedia	newsletter promotion social post with email interface and clean headline area, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
421	/phonemockup	Mockup	smartphone screen mockup held naturally, realistic reflections and perspective, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
422	/laptopmockup	Mockup	website mockup on a laptop in a modern workspace, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
423	/tabletmockup	Mockup	tablet interface mockup on a clean desk with soft daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
424	/desktopmockup	Mockup	desktop monitor mockup with keyboard and minimal office styling, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
425	/tshirtmockup	Mockup	apparel design mockup on a realistically folded cotton T-shirt, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
426	/hoodiemockup	Mockup	hoodie design mockup with natural fabric folds and neutral backdrop, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
427	/totebagmockup	Mockup	canvas tote bag mockup, visible weave, simple lifestyle setting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
428	/mugmockup	Mockup	ceramic mug mockup on a cafe table with controlled reflections, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
429	/bookmockup	Mockup	book cover mockup standing beside a small stack, soft studio light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
430	/postermockup	Mockup	poster design mockup framed on a realistic interior wall, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
431	/billboardmockup	Mockup	billboard artwork mockup in a real urban environment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
432	/boxmockup	Mockup	shipping box mockup with tape, label area, and cardboard texture, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
433	/pouchmockup	Mockup	flexible product pouch mockup with accurate folds and print surface, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
434	/bottlemockup	Mockup	bottle-label mockup with realistic glass or plastic reflections, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
435	/canmockup	Mockup	beverage-can mockup with accurate cylindrical label wrap, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
436	/storefrontmockup	Mockup	storefront signage mockup on a clean street facade, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
437	/businesscardmockup	Mockup	business-card mockup on textured paper with subtle shadow, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
438	/packagingmockup	Mockup	complete packaging mockup family on a clean studio surface, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
439	/appscreenmockup	Mockup	mobile application screens presented in consistent device frames, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
440	/stationerymockup	Mockup	stationery mockup set with letterhead, envelope, card, and pen, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
441	/conferenceevent	Event	professional conference stage, large screen, audience seating, clean lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
442	/workshopevent	Event	hands-on workshop setting with tables, materials, and facilitator area, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
443	/exhibitionevent	Event	modern exhibition booth with clear branding and visitor circulation, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
444	/festivalevent	Event	outdoor festival scene with stage, lighting, and safe crowd spacing, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
445	/weddingdecorevent	Event	elegant wedding decor with floral elements and balanced warm lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
446	/productlaunchevent	Event	product launch event with reveal stage and premium lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
447	/webinarevent	Event	webinar broadcast setup with camera, lights, microphone, and presentation screen, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
448	/hackathonevent	Event	technology hackathon workspace with teams, laptops, and prototypes, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
449	/awardnightevent	Event	award ceremony stage with podium, screen, and refined lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
450	/networkingevent	Event	professional networking event in a contemporary venue, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
451	/seminarevent	Event	educational seminar room with speaker area and organized seating, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
452	/concertevent	Event	live concert stage with lighting beams and visible production equipment, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
453	/museumopeningevent	Event	museum opening event in a gallery with guests and artwork, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

No.	Shortcode	Image Type	Prompt
454	/charityeventevent	Event	community charity event with registration area and activity stations, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
455	/sportsdayevent	Event	organized sports event venue with track, banners, and participants at scale, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
456	/booklaunchevent	Event	book launch setting with display table, reading area, and audience, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
457	/pressmeetevent	Event	press conference setup with podium, microphones, and branded backdrop, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
458	/tradefairevent	Event	large trade fair hall with multiple booths and clear aisles, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
459	/retreatevent	Event	professional team retreat in a calm natural venue, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
460	/graduationeventevent	Event	graduation stage setup with seating, lighting, and ceremonial details, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
461	/luxuryhomeproperty	RealEstate	luxury home exterior, landscaped garden, golden-hour real-estate photography, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
462	/apartmentproperty	RealEstate	bright apartment interior, wide-angle view, accurate room proportions, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
463	/kitchenlistingproperty	RealEstate	listing-ready kitchen, clean counters, natural daylight, realistic finishes, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
464	/bedroomlistingproperty	RealEstate	listing-ready bedroom, balanced furniture, soft natural light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
465	/bathroomlistingproperty	RealEstate	clean modern bathroom, accurate fixtures, bright even light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
466	/balconyproperty	RealEstate	apartment balcony with city view, staged furniture, daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
467	/poolvillaproperty	RealEstate	villa with swimming pool, reflective water, premium property photography, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
468	/officepropertyproperty	RealEstate	commercial office property, clean facade, clear entry, daytime, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
469	/retailpropertyproperty	RealEstate	retail property exterior, storefront visibility, realistic street context, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
470	/warehousepropertyproperty	RealEstate	commercial warehouse, loading access, clear architectural view,

No.	Shortcode	Image Type	Prompt
			photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
471	/aerialpropertyproperty	RealEstate	oblique aerial property view showing building, plot, and surroundings, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
472	/twilightlistingproperty	RealEstate	residential property at twilight, warm interior glow, balanced exposure, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
473	/emptyroomproperty	RealEstate	empty room listing image, accurate geometry, bright neutral light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
474	/stagedlivingproperty	RealEstate	virtually staged living room, realistic furniture scale and shadows, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
475	/gardenpropertyproperty	RealEstate	landscaped property garden, pathways, mature planting, daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
476	/floorplanviewproperty	RealEstate	isometric 3D property floor plan, clear rooms, realistic materials, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
477	/townhouseproperty	RealEstate	modern townhouse row, clean facade rhythm, natural daylight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
478	/farmhouseproperty	RealEstate	renovated farmhouse, rural setting, warm afternoon light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
479	/penthouseproperty	RealEstate	penthouse interior with skyline view, premium finishes, evening light, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
480	/receptionpropertyproperty	RealEstate	commercial reception area, accessible layout, professional lighting, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
481	/accessibilityiconsicon	IconDesign	coherent accessibility icon set, simple geometry, strong contrast, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
482	/businessiconsicon	IconDesign	professional business icon set, consistent stroke and spacing, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
483	/financeiconsicon	IconDesign	finance icon set with clear symbols, consistent visual weight, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
484	/educationiconsicon	IconDesign	education icon set with books, learning tools, consistent style, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
485	/healthiconsicon	IconDesign	healthcare icon set with clear non-graphic medical symbols, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
486	/traveliconsicon	IconDesign	travel icon set featuring transport and destination symbols, photorealistic

No.	Shortcode	Image Type	Prompt
			detail, coherent composition, accurate materials, natural depth, no text, no logo.
487	/foodiconsicon	IconDesign	food and restaurant icon set with simple recognizable forms, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
488	/techiconsicon	IconDesign	technology icon set with devices, cloud, security, and data, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
489	/socialiconsicon	IconDesign	social-media action icon set, clean geometry, consistent size, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
490	/weathericonsicon	IconDesign	weather icon set with readable sun, rain, wind, cloud symbols, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
491	/navigationiconsicon	IconDesign	navigation icon set with arrows, menu, location, and direction, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
492	/ecommerceiconsicon	IconDesign	ecommerce icon set with cart, delivery, payment, and returns, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
493	/propertyiconsicon	IconDesign	real-estate icon set with home, key, map, and building symbols, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
494	/natureiconsicon	IconDesign	nature icon set with leaf, water, sun, tree, and mountain, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
495	/securityiconsicon	IconDesign	security icon set with shield, lock, verification, and alert, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
496	/communicationiconsicon	IconDesign	communication icon set with mail, chat, call, and notification, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
497	/dashboardiconsicon	IconDesign	dashboard icon set for analytics, settings, users, and reports, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
498	/transporticonsicon	IconDesign	transport icon set with car, bus, train, bicycle, and plane, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
499	/creativeiconsicon	IconDesign	creative-tool icon set with pen, palette, camera, and layers, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.
500	/energyiconsicon	IconDesign	energy icon set with solar, battery, charging, wind, and power, photorealistic detail, coherent composition, accurate materials, natural depth, no text, no logo.

ChromeGeek Nano Banana Cheat Sheet - Original Workflow Index

This section is an original, paraphrased workflow index based on the task categories presented in the ChromeGeek guide. It does not reproduce the publisher's full prompt wording. For the original downloadable cheat sheet, use the source link below.

Source: <https://www.chromegeek.com/nano-banana-cheat-sheet/>

No.	Category	Suggested Shortcode	Original Paraphrased Prompt
1	Prompt Formula	<code>/structuredprompt</code>	Build prompts in order: action, subject, visible details, environment, aesthetic, then technical controls.
2	Photorealistic	<code>/realportrait</code>	Create a realistic close-up portrait with natural skin detail, directional sunlight, portrait-lens compression, and shallow focus.
3	Photorealistic	<code>/productphoto</code>	Create a commercial product photograph on a textured surface with soft window illumination and controlled background blur.
4	Photorealistic	<code>/mistymountains</code>	Generate a sunrise mountain landscape with layered mist, compressed perspective, warm highlights, and crisp terrain.
5	Photorealistic	<code>/glassarchitecture</code>	Show contemporary glass towers reflecting sunset colors, photographed from a wide street-level viewpoint.
6	Photorealistic	<code>/cakephoto</code>	Render a plated chocolate dessert with glossy texture, fresh fruit, overhead framing, and low-key food lighting.
7	Anime & Cartoon	<code>/softanimejourney</code>	Illustrate an original short-haired character traveling through a whimsical painted environment with gentle watercolor textures.
8	Anime & Cartoon	<code>/energyheroanime</code>	Create an original action hero surrounded by electrical energy, cel shading, saturated colors, and dynamic motion lines.
9	Anime & Cartoon	<code>/cyberanimecity</code>	Place an original futuristic character in a rain-soaked neon city with reflective streets and luminous wearable technology.
10	Anime & Cartoon	<code>/rubberhosecartoon</code>	Design an original monochrome 1920s-inspired rubber-hose cartoon performer with exaggerated motion and vintage film texture.
11	Anime & Cartoon	<code>/owlsticker</code>	Create a friendly owl with a small backpack as a clean flat sticker illustration using pastel colors and simple outlines.
12	Artistic & Painting	<code>/chiaroscurooil</code>	Paint a formal historical portrait with dramatic light-dark contrast, visible oil texture, and a restrained dark setting.
13	Artistic & Painting	<code>/impressionistpond</code>	Paint a lily pond using broken brushwork, soft reflections, changing light, and an impressionist color approach.
14	Artistic & Painting	<code>/swirlingnightsky</code>	Paint a village beneath an expressive swirling night sky using bold rhythmic brushwork and luminous stars.
15	Artistic & Painting	<code>/popartportrait</code>	Create a high-contrast pop-art

No.	Category	Suggested Shortcode	Original Paraphrased Prompt
			portrait with halftone dots, repeated color blocks, and graphic screen-print texture.
16	Artistic & Painting	/glowingforestpainting	Create detailed fantasy concept art of a forest illuminated by bioluminescent plants and cinematic atmospheric light.
17	Editing & Effects	/marsbackgroundedit	Move the supplied subject into a Mars landscape, add suitable exploration clothing, and preserve recognizable facial features.
18	Editing & Effects	/formaloutfitswap	Replace casual clothing with a formal dark suit while keeping pose, framing, and background unchanged.
19	Editing & Effects	/petfigurine	Transform the supplied pet photograph into an original stylized 3D collectible displayed on a simple pedestal.
20	Editing & Effects	/texturetransfer	Transfer the palette and surface pattern from a reference image onto a jacket while retaining garment construction.
21	Editing & Effects	/restoreoldphoto	Restore a faded photograph by reducing scratches, improving clarity, balancing contrast, and adding restrained natural color.
22	Concept Art & Design	/forestguardianconcept	Design an original forest guardian combining deer and wolf anatomy, crystalline antlers, moss-covered fur, and concept-sheet clarity.
23	Concept Art & Design	/solarflyingcar	Design a matte dark flying vehicle powered by solar surfaces, with retractable wings and understated neon accents.
24	Concept Art & Design	/treehousehotel	Visualize an eco-focused treehouse hotel with glass pods, suspended walkways, and integration into mature forest.
25	Concept Art & Design	/holographicinterface	Design a layered translucent spaceship control interface with blue luminous controls and clean futuristic organization.
26	Concept Art & Design	/coffeerocketlogo	Create a simple flat logo concept combining a rocket silhouette with a circular coffee motif.
27	Iteration	/dramaticlightingedit	Use the preceding image as reference and increase lighting contrast while preserving subject, composition, and materials.
28	Concept Mixing	/cloudcastle	Create a physically coherent castle formed from dense clouds, with sunlight, depth, and readable architectural structure.
29	Concept Mixing	/clockworkrobot	Design an original robot assembled from aged clock components, visible gears, brass surfaces, and workshop lighting.
